WELCOME TO BENARTY VIEW

Situated in the village of Kelty, Fife, Benarty View offers Nursing, Residential and Dementia Care in a caring, comfortable environment.

We provide comprehensive, compassionate and dedicated care, 24 hours a day, with resident choice and needs at the forefront of all that we do. All individual care needs and provisions are provided through personalised care planning and collaboration with residents and their families.

We are passionate about supporting residents to live each day to the full. Our extensive activities programme is key to this, with something for everyone and plentiful opportunities for socialising or quiet time if preferred.

Our chef and catering team work hard to provide nutritious meals with seasonal produce, ensuring all tastes and dietary needs are catered for.

Our refurbished, bright spacious lounges each feature patio doors leading to well-maintained gardens. Each of our ensuite bedrooms are beautifully decorated, with the opportunity for residents to personalise their room with home comforts as desired.
