INTRODUCTION

Message From Our Manager

It has been a lovely few months at Benarty View, with our residents enjoying a variety of activities, events and opportunities to spend time together. From making the most of dry days and exploring our local community to trying something new with our very first silent disco, there has been plenty to keep everyone entertained.

As we move through autumn, we have continued to enjoy getting outdoors, catching up with friends and making the most of everything the season has to offer.

SPOOKY SEASON

Halloween Celebrations

We would like to say a huge thank you to everyone who came along to Benarty View for our Halloween celebrations.

Our residents had a fantastic time decorating the home, handing out sweets, and chatting with all the children and families who visited. The smiles, laughter, and wonderful costumes made it a truly magical atmosphere for everyone to enjoy.

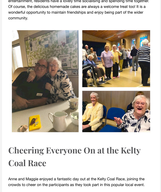

It was a lovely evening filled with fun, community spirit, and precious memories. Thank you all for helping make our Halloween event such a great success. We loved welcoming you and look forward to seeing you again at future events.

OUT & ABOUT

From Garden to Table

Our garden at Benarty View has been particularly rewarding this year, with our apple and pear trees producing some lovely fresh fruit. Residents enjoyed heading outdoors to pick the apples and pears, taking pride in gathering the fruit we had grown right here in our own garden.

Of course, the best part was putting our harvest to good use! Our talented chef transformed the freshly picked fruit into a delicious homemade crumble, which everyone thoroughly enjoyed. There is something particularly satisfying about enjoying food grown in your own garden, and it was a lovely way to celebrate the fruits of our labour.

Trip to Dobbies

A visit to Dobbies Garden Centre is always a popular choice with our residents, and our recent trip was no exception. Everyone had a great time browsing the wonderful selection of plants and seasonal displays, taking in the colours and finding a little inspiration for their own gardening interests.

Naturally, no visit to Dobbies would be complete without stopping at the café for a delicious lunch and a catch-up with friends. The relaxed, sociable atmosphere made it an enjoyable outing, with residents enjoying having a look around for ideas ahead of the festive season. It was a lovely, relaxed outing with plenty to see and enjoy.

Autumn Walks Around the Village

As the seasons begin to change, our residents continued to make the most of autumn by getting out and about and gently exercising. Wrapped up warmly, we headed out for relaxing strolls around the village, taking in the autumn colours and enjoying the changing scenery.

We even had some four-legged company, with Charlie the dog joining us on our walks. Charlie's friendly wagging tail always brings a smile to everyone's face, and was lovely to see him enjoying a bit of fresh air. These gentle walks are a wonderful way to stay active, enjoy a change of surroundings and appreciate the simple pleasures of autumn.

Sunshine Group – Music, Dancing and Friendship

Every second Thursday, our residents look forward to attending the Sunshine Group, which has become a much-loved part of our activities calendar. These regular gatherings offer a fantastic opportunity to enjoy live music, have a dance and catch up with old friends.

There is always a friendly atmosphere, with plenty of familiar tunes encouraging everyone to join in. Whether taking to the dance floor or simply enjoying the entertainment, residents have a lovely time socialising and spending time together. Of course, the delicious homemade cakes are always a welcome treat! It is a wonderful opportunity to maintain friendships and enjoy being part of the wider community.

Cheering Everyone On at the Kelty Coal Race

Anne and Maggie enjoyed a fantastic day out at the Kelty Coal Race, joining the crowds to cheer on the participants as they took part in this popular local event.

There was plenty to see and enjoy throughout the day, with Anne and Maggie soaking up the lively atmosphere and supporting the runners as they passed. It was a challenging and enjoyable event, and it was great to see so many people of all ages involved in the event. It was a great opportunity to get out into the community, support a local tradition and enjoy all the excitement of the occasion.

Both thoroughly enjoyed their outing, and it was lovely to see them getting involved and making the most of everything the day had to offer.

RECENT ACTIVITIES

Macmillan Coffee Morning

We were delighted to support Macmillan Cancer Support by hosting our very own Macmillan Coffee Morning. Residents, friends and staff came together to enjoy a lovely selection of home baking, along with plenty of tea, coffee and conversation, all while raising money for a very worthwhile cause.

There was plenty of smiles and laughter as everyone got into the spirit of the occasion. It was wonderful to see residents and staff enjoying themselves together, with music providing the perfect opportunity to have fun and let loose. Our first silent disco certainly proved popular, and we think it may well become a regular favourite!

Our First Silent Disco

We tried something completely different at Benarty View with our very first silent disco, and what a success it was! Residents and staff of all abilities came out pulling on their headphones, enjoying the music and showing off a few dance moves.
